- c. You have been given authority to grant the Mandatory Licenses (as defined below) for such Trademark Holder and that such Mandatory Licenses will be binding on the Trademark Holder; d. You acknowledge that Deloitte may, from time to time and at its sole expense, verify whether the Trademark Holders' contact information that you provided us is correct, accurate and reliable, in which case we will notify you with reasonable notice. You will ensure that your Trademark Holders cooperate with us and Deloitte in this verification.

- d) You will provide us with your correct contact information and keep it current so that we may annually verify that such information is correct. We use a combination of technical (such as encryption), administrative, and physical controls to maintain the security of Personal Data.

XI. Notifications

- a) All communication between you and us will, to the extent possible and except as otherwise agreed upon between you and us, be organized in an electronic manner.
- b) It is not possible, however, to guarantee that transmitting data electronically is totally secure, virus-free or without error and, hence, such transmissions may be intercepted, tampered with, lost, destroyed, delayed or rendered unusable. You and us hereby recognize that no systems or procedures can wholly mitigate such risks.
- c) You and we hereby confirm that we accept these risks, duly authorize the use of electronic communications and agree to use commercially reasonable means to detect the more widely known viruses prior to sending information by electronic means. Each party shall be responsible for the protection of its own systems and interests in respect of electronic communications, and neither party shall be held liable in any manner or form, whether on a contractual, criminal (including negligence) or any other basis, for any loss, error or omission resulting from or relating to the use of electronic communications between the parties.

XII. Dispute resolution

In the event a dispute arises between you and us out of or relating to the Verification Services provided by us, such dispute shall be handled in accordance with the Dispute Resolution Procedures.

XIII. Severability

Should any provision of this Agreement be invalid, unenforceable, void or otherwise ineffective, the rest of this Agreement will remain valid. The parties will then interpret and modify this Agreement so as to achieve as far as possible the sense and purpose of the parts held to be invalid, unenforceable, void or ineffective.

XIV. Applicable Law

This Agreement and all matters relating to the engagement whether in contract, statute, tort (including, without limitation, negligence) or otherwise, shall be governed by, and construed in accordance with, the laws of Luxembourg (without giving effect to the choice of law principles thereof) and shall be subject to the exclusive jurisdiction of the courts of

Brussels, Belgium. You hereby waive any immunity, sovereign or otherwise, that you would otherwise have to such jurisdiction and agree that your rights, obligations and liabilities hereunder shall be determined in the same manner and to the same extent as those of a private litigant under like circumstances.

XV. Miscellaneous

- b) The headings are inserted for convenience only and shall not affect the construction and interpretation of this Agreement.
- c) The English language version of this Agreement is the only official version. - d) This Agreement may not be modified or amended other than by a written amendment in signed by both you and us. No waiver of any provision of this Agreement shall be binding unless evidenced by a writing signed by the party waiving compliance with such provision. No waiver of any of the provisions of this Agreement or failure to enforce any of the provisions hereof shall be deemed or shall constitute a waiver of any other provision hereof, at law or in equity, nor shall any such waiver constitute a continuing waiver unless otherwise expressly provided.
